Matt-

My day has become quite busy; can we push this back a week?

Thanks.

John

We have a call scheduled at 3:00 tomorrow to update each other on where our clients are at. I have an arbitration status hearing call at 2:00 which should be done in time for our 3:00 call, but it may go long. Perhaps we can reset our time so that I don't end up in a situation of needing to be in two places at once. I can accommodate most any other time tomorrow. Can we have our call at 1:00 or in the morning? Thanks.

How about 3pm? I have a 2pm call.

If that works I'll call your office.

Matt-

I have scheduled that we were scheduled to have a call today, but I was hung up on other things.

Did you still want to talk?
